Treating Customers Fairly

The Stafford Building Society is the trading name for The Stafford Railway Building Society. All further reference to the society will be under our legal name of The Stafford Railway Building Society. This leaflet sets out important terms and conditions, which apply to easy access, cash, Individual Savings Account (Cash ISA). We strongly advise you to read all of the terms and conditions as you will be legally bound by them.

The Cash JISA account has a variable interest rate and is a restricted savings account. HM Treasury sets the yearly JISA allowance. The Stafford Railway Building Society has been approved as an JISA manager by HMRC.

Stafford Railway Building Society is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and Prudential Regulation Authority under registration number 206063. You can confirm our registration on the FCA's website www.fca.org. UK or by contacting the FCA on 08001116768.

Stafford Railway Building Society is covered by the Financial Services Compensation Scheme and the Financial Ombudsman Service.

Before opening an account, please make sure that you read General Savings Accounts and these terms and conditions including information about the Charitable Assignment Scheme.

Reasonable use

As society savings and investment accounts are not 'payment accounts' it is not expected that they will be used for making regular payments to manage your everyday affairs. Easy access saving accounts are intended to provide the reassurance of access to your savings should you need it, not a means of using the accounts for day-to-day transactions. We will monitor transaction patterns and should we believe your account is being used for day to day transactions we may contact you to discuss whether you have the right account.

If you'd like this in another format, such as large print, Braille or audio please ask in branch.

Terms & Conditions

1. Meaning of words and expressions

- 1.1. These terms and conditions (referred to as the "Conditions") apply to all Cash JISA savings accounts with the Society.

- 1.2. In the Conditions:

"Account Document(s)" means a passbook, certificate or similar item, which we designate to be an account document from time to time;

When we talk about an "account" in these terms and conditions, we mean each cash JISA saving account you have with us.

"AER" stands for annual equivalent rate and takes into account the cumulative effect of interest earned on interest that is credited to the account more frequently than once a year:

"Calendar day" means any day of the week;

"cash JISA manager" means an authorised JISA provider confirmed by the HMRC from time to time.

"JISA" is an JISA whose terms and conditions allow the investor to replace, in whole or in part, cash they have withdrawn, without the replacement counting towards their annual subscription limit,

"gross" means that, in relation to interest payments, interest is paid without any tax having been deducted by the Society;

A "tax year" runs 6th April to 5th April the following year; "the Society", "we", "us" and "our" refer to Stafford Railway Building Society;

"working day" means Monday to Friday, excluding bank holidays; and

"you" and "your" refer to holders of JISA accounts
