

Lending Criteria

May 2024 Appendix 9, 10 & 11

YOUR HOME MAY BE REPOSSESSED IF YOU
DO NOT KEEP UP REPAYMENTS ON YOUR MORTGAGE

Lending Criteria – Residential

Where we lend

England and Wales Only (all applicants must be UK resident).

Affordability

The Society lends based on an affordability model. To seek a guide to how much a customer can afford to borrow with the Society please visit the affordability calculator section of our website.

This is only a guide and may change upon receipt of a full mortgage application along with confirmation of income, expenditure and completion of a valuation. The Society will carry out a full credit reference check on the applicant(s) to verify all declared agreed commitments.

A maximum income multiple of 4.5 x income will also be applicable.

All loans are subject to affordability.

SIPP's – We will need to know the current fund value and the level that funds can be drawn at or if already being drawn, at what level.

We will generally use 5% of current value as an annual income (disregarding potential growth). The fund must not be exhausted at term end.

The above may be subject to verification of drawdown schedule from a qualified professional.

Lending Criteria – Residential

Investment Income

We will need to know the current fund value and the level that funds can be drawn at or if already being drawn, at what level.

For undrawn investment income a maximum of 5% drawdown of investment fund each year can be used to support affordability. No investment growth considered.

Example: £600,000 pot. 5% = £30,000 pa. In 15 years £450,000 would have been used leaving £150,000 at the end of the term for applicants to utilise.

Subject to a forecast from the fund manager and the fund not being exhausted at term end.

- Inherited property;
- Let to buy.

Portfolio Buy-to-Let

Portfolio Landlords are deemed by the Society as any applications with 4 or more BTL properties, up to a maximum of 10 in total (including those without mortgages).

The Society will apply the following ICR in respect of maintaining and assessing the portfolio;

- ICR stress of 5.50% or 2% above product whichever is the higher at a stress of 150% over the whole portfolio
- ICR stress of 5.50% or 2% above product whichever is the higher using the normal stress criteria (130%/140%) on the Mortgage Security (our loan)

The following portfolio information will be required;

- Property Schedule including, address, property value, mortgage balance outstanding, monthly mortgage payment and monthly rental income;
- 2 months bank statements showing rents receivable for all BTL properties.

Lending Criteria – Holiday Let & Ex-Pat BTL

Holiday Let

The Society will lend on residential properties to individuals on a BTL basis for renting out as a holiday let property.

Holiday parks are not acceptable.

Occupancy restrictions are considered subject to valuers comments.

The Society as part of the valuation will request from the surveyor the current valuation of the property as a 'Buy to Let'.

In addition, the Society requests the applicant(s) to provide independent confirmation from a local agent or comparable online specialist of the predicted holiday rental over 12 months taking into account high, medium and low seasons.

An average taken over a 30-week occupancy assumption applied on the basis of the example below.

If the Low Season is £1,650, the Medium Season £2,300 and the High Season £3,100, an average per week of the 3 seasons (£2,350) will be used and then we will apply a 30-week occupancy assumption. In this example gross rental income per annum would be £70,500. The mortgage payment is then stressed at an ICR of 140% @ 5.5% or 2% above the product whichever is higher of the average monthly holiday let income.

Maximum LTV 70%.

Ex-Pat BTL

The Society will lend to UK citizens residing out of the country (subject to being on the acceptable countries list) for BTL purchases and re-mortgages.

The minimum property value is £100,000.

Acceptable applicants must be employed by a nationally recognised, company.

The Society will require 3 months' salary slips and may request an employment reference provided in English.

The applicant's company must not be involved in high-risk industries.

All mortgage payments must be made from a UK bank account in the applicant(s) own name.

The Ex-Pat BTL property must be managed through a UK letting agent. For Ex-Pat applicants who already own mortgaged UK property(s) they must provide the latest mortgage statement(s) for each mortgaged property(s).

Refer to Appendix 7 – High Risk Countries

Red countries are not permitted

Amber countries must be referred to the MLRO for further due diligence
