Data Protection Legislation and the General Data Protection Regulation (EU)

Any information you provide, including information, you give us in the future, may be held on record by the Society. The record may be held as a computer record. The Society may use this information for purposes of customer administration, research, and statistical analysis, and for fraud prevention for the benefit of the Society and its customers. This information will be held during the life of the account and may be kept for six years after the account is closed. Under current Data Protection legislation, you have the right to ask us to send you a copy of your records and the right to change any of your information that is incorrect. You also have the right of access to your personal records held by credit and fraud agencies. Details of your data protection rights are contained within the Society's Privacy Policy which has been explained and issued to you as part of this application.

Fraud Prevention Agencies

To prevent or detect fraud, or to assist in verifying your identity, we may make searches of records held by fraud prevention agencies who will supply us with information. We also pass information to government departments and to financial and other organisations involved in fraud prevention to protect ourselves and our customers from theft or fraud. If you give us false or inaccurate information and we suspect fraud, we will record this. We, and other companies, may use this information if decisions are made about you or others at your address on credit or credit related services. It may also be used for tracing and claims assessment.

Proof of identity searches

In order to comply with money laundering regulations and to protect our customers from fraud, we are required by law to confirm the identity and address of every applicant and beneficiary. We are able to access credit reference agency databases, including information from the Electoral Register, to check that the details you have supplied us with are correct. This will show, as a search of the database but not as a credit score, so will not affect your credit rating. In the majority of cases, this will enable us to open your account in addition to any paper-based identification. We will advise you, if we require further proof of identification, these requirements will depend upon how and where you are opening your account.

Appendix 2 - Charitable Assignment Scheme

IF YOU HAD A SHARE ACCOUNT WITH THE SOCIETY ON 31st JULY 2000 AND HAVE HELD A SHARE ACCOUNT WITH THE SOCIETY EVER SINCE THAT DATE, OR IF YOU HAVE A MORTGAGE WITH THE SOCIETY AT TODAY'S DATE THE WORDING IN PARAGRAPHS 1 AND 2 BELOW DOES NOT APPLY TO YOU. HOWEVER, IT MUST NOT BE DELETED.

1) By applying to open a share account on or after 1st August 2000 I/We agree with the Society and the Charities Aid Foundation ("the CAF") that I/We will assign to the CAF (or to any charity(ies) nominated by it or by the Society under the provisions of a deed dated 31st July 2000 between the Society and the CAF, in which case references to the CAF shall include references to any other charity(ies), but to no other person) the rights to any relevant conversion benefits (defined below). This obligation will not apply to me/us if I/We fall within any class of persons, which, as at today's date, the Society wishes to be excluded from such obligation. This agreement is irrevocable and authorises the Society to transfer to the CAF any such benefits without further notice to me/us. I/We understand that neither the Society nor the CAF will release me/us from this agreement or vary its terms and I/We will continue to be bound by the above condition even if the Society decides at some time in the future (and announces any such decision by press release or otherwise) that it is no longer in the best interests of the Society to continue with the above assignment condition generally in respect of new members.

2a) "Relevant conversion benefits" means any benefits to which I/We might become entitled as a shareholding member of the Society under the terms of any future transfer of the Society's business to a company (i.e. on a conversion or takeover) which is completed at any time within the ten years immediately following the date on which my/our share account is opened (or, if applicable, the shorter period as set out in the list available from the Society's Secretary). "Relevant conversion benefits" does not include the statutory right to have shares in the Society (including any balances on share accounts) converted into deposits with the company on a conversion or takeover.

2(b) If the Society merges with any other society, after the date of such merger the "Society" includes such other society.

A list of the classes of persons, which the Society currently wishes to be excluded from the obligation to assign or in respect of which a shorter period applies (which list may change from time to time but not with retrospective effect) is available on request from the Society's Secretary.
